

## APPRECIATION DAY REPORT

Appreciation is a wonderful thing. It makes what is excellent in others belong to us as well. Working together needs harmony, succeeding together needs a lot of commitment and compassion.

Sudharsan Engineering organised an Appreciation Day for this year 2023 on (02.03.2023). Our Secretary Shri. K. Ajay Kumar sir gave his esteemed presence and accorded the awards to the deserving teaching and non-teaching faculty members and the students which includes.

Our beloved Principal sir Dr K. Srinivasan sir gave this opportunity and organised this event by the EEE department & first year coordinators. This recognition encourages all to accomplish many milestones.

The programme started with Lighting of the lamp by the dignitaries namely, Shri. K. Ajay Kumar (Our Secretary), Dr.K.Srinivasan (Our Principal) and) all HODs and welcome speech given by P.Symon (CSE-I Year student).

Our beloved Principal sir Dr K. Srinivasan sir gave Presidential address and Mr. S.Sasidharan CLO of Sudharsan Engineering College gave Special address and Shri. K. Ajay Kumar Secretary gave Felicitation Address and Distribution of awards.

The Vote of thanks in the form of blessings was given by the R.Akash (EEE-II Year student).

Appreciation day concluded with the National Anthem and Photo Session.
