Report on Top Designers 2023

"Design is not just a visual thing, it's a thought process."

Sudharsan Engineering college organized a National Level Programming contest on behalf of E-Box Colleges on 01.04.2023 as "TOP DESIGNER '23".

Top Designers provides a perfect platform for designers to showcase their talent by cracking some of the most challenging and interesting problems. This is to compete against some of the most astute minds to experience nail biting tension and ecstatic joy of designing. This contest is a real test of creativity, knowledge, endurance and team-work, an EXTREME CHALLENGE!

E-Box Colleges invited the students from B.E/B.Tech programs to participate, as it provided a platform for these students to compete against one another and demonstrate their design abilities. It's also important to note that competitions like this can help inspire students to work harder and strive for excellence in their studies.

This year, Students from various colleges all over Tamilnadu enthusiastically participated in the designing contest.

The programme started with Registration and Practice Session from 9 am to 10.15 am, and then the Contest from 10.30 a.m to 1.30 p.m.
