**BROCHURE/INVITATION**

The brochure features a light blue background with a world map. At the top, it displays the logos of Sudharsan Engineering College, E-Box Colleges, and the Institution's Innovation Council. A counselling code of 3920 is also shown. The main text reads: "Department of EEE organizes POSTER MAKING CONTEST FOR THE OBSERVANCE OF WORLD LIVER DAY 19 APRIL, 2023". Below this, an illustration shows several people working on a large liver model, with one person pointing to a "HEPATITIS B VIRUS" label. At the bottom, a message states: "World Liver Day is an opportunity to educate people about the risk factors for liver diseases, such as alcohol consumption, obesity, viral hepatitis, and certain medications. BE VIGILANT, DO A REGULAR LIVER CHECK-UP, FATTY LIVER CAN AFFECT ANYONE."

### Report

On April 19, 2023, Sudharsan Engineering College observed World Liver Day. The Department of EEE conducted a poster making contest to create the awareness of Liver Disease. Liver is very important part of body. It is an organ and gland in human body. It is key player in our body's digestive and immunity system. So maintain a healthy weight, eat a balanced diet and avoid the use of illicit drugs. The aim of this competition is to create the awareness for reduced mortality and incidence from Liver Disease in the country and also reduce catastrophic costs and provide patient-responsive health services. This provides public awareness about the devastating health, social and economic consequences of Liver Disease.

In this regard, on 19.04.2023, Wednesday we conducted a Liver Disease Awareness Poster Making Competition in our campus.

**Theme:** Causes, Types, Prevention & Treatment of Liver Disease

**Venue:** Main Block - Room No. 208 (Drawing Hall)

**Time:** 3.00PM to 4.00PM
