### **Extension Activity – tree plantation**

### **Report**

A Tree plantation program was organized at Sudharsan Engineering College on 15-02-2023 by the Department of Electronics and Communication Engineering and the Department of Civil Engineering. Dr. Lalitha, Medical Officer, Primary Health Centre, Sathiyamangalam and Mr. Akilan, Health Inspector graced the occasion. Dr. K. Srinivasan, principal, presided over the function and delivered an inspiring speech among the students about global warming and role of trees in alleviating the said problem. He said that such tree plantation programs would inspire young minds to plant more and more trees, to reduce felling of trees and thus preserve the ecosystem. Dr. Lalitha and Dr. K. Srinivasan planted saplings and initiated the process of tree plantation for the day. Mr. Sasidharan, Chief Learning Officer, eBox colleges, Dr. K. Asan Mohideen, HoD, ECE, Mr. Sundarraj, HoD, Civil Engineering, Ms. N. Hemalatha, First year coordinator, faculty members and students attended the program.
