IFL- PRACTICE SESSION- 25TH February AN (2ND & 3RD YEAR)

8. NATIONAL SCIENCE DAY CELEBRATION

DEEKSHI TECHFEST 2K23

On 28th February 2023 Sudharsan Engineering College Pudukkottai, organised National Science Day function as a technical symposium as DEEKSHI TECHFEST 2K23, in commemoration of the Roman effect. During the inaugural function, the chief guest, Mr. K. Ravindran, General Manager, Advanced Technology & Products/BHEL, Trichy motivated the students about engineering. He also talked about the boiler manufacturing for nuclear reactors and also he inspired our students by sharing his experience. Our beloved principal Dr.K.Srinivasan and the convenor of the event Dr.VishwanathBellie honoured the chief guest with a memento and shawl. Then the students who achieved in CM TROPHY sports events were given shields.

Around 300 students from other colleges participated and won in the events conducted such as paper presentation, technical quiz, wealth from Waste, photography and short film contest and free fire gaming contest. All the students were so enthusiastic in inhibiting their talents both technically and non-technically.
