Report

NSS cell we have conducted one day **Awareness program on National safety week celebration for first year NSS volunteers** on march 11th, 2023. The goal of this Training program is to teach participants how to protect ourselves from fire accident , including Basic fire safety techniques, how to handle different kinds of fire extinguishers for the different sources of the fire accident . This Session also covered all the trainings for focussing the protective skills of all. The programme was attended by all the first year students, who were extremely enthusiastic.
