ABOUT INSTITUTION FROM THE PRINCIPAL'S DESK

SEC was founded in the year 2000 by the Sudharsan Educational Trust with the aim of disseminating knowledge in the fields of science, engineering and technology in the rural district of Pudukkottai. The college is approved by the All India Council for Technical Education and is affiliated to Anna University.

SEC offers 7 Under-Graduate Programmes in the fields of Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Computer Science and Engineering, Artificial Intelligence and Data Sciences and Artificial Intelligence and Machine Learning.

SEC has an excellent infrastructure, well-equipped Laboratories and Workshops, state-of-the-art Computer and IT Center, Central Library, spacious Auditorium, hygienic Canteen, and separate hostels and gyms for boys and girls.

All the branches of Engineering and Technology have their own Technical association which organize Technical meetings, symposia, etc. in their respective discipline. National level technical symposia are conducted every year. The valuable inputs gained help the students to hone their technical, managerial and organizational skills.

The college is situated on NH 336 in Sathiyamangalam about 12 km from Pudukkottai. The campus is 40km close to Trichy and 30km to Anna University Regional Office, Trichy.

INAUGURAL FUNCTION

The Inaugural function of the Academic Year (2023-2024) for the first years held at **Sudharsan Engineering College**, Pudukkottai on 11.09.2023. The ceremony started with a prayer song and lighting of traditional Lamp of knowledge and wisdom. Dr.K.Srinivasan , Principal welcomed the gathering. He encouraged the students to undertake these 4 years of course.

The Chairman Shri.K.Vijaya Kumar, Sudharsan Engineering College provided presidential address In his address, he highlighted that the students must know their age of responsibility and their values in building life and nation. He encouraged the students about the various new job opportunities waiting in MNCs companies and others etc. He portrayed that India has faced tremendous technology potential in various fields like IT, Petroleum, Petro Chemical etc. of which those will be achieved only by the Engineers.

The auditorium hall was enthralled with the thought provoking message from our Chief Guest **Dr. J.G.R.SATHIASEELAN** (Vice Principal, Bishop Heber College, Trichy). He stressed the importance of an Engineer becoming employable. He also suggested the students to produce eco-friendly products. He also put forth the ideas on how education brings luxury into one's life.

Dr.I.S.PARVEEN SULTANA (Motivational Speaker) Associate Professor Department of Tamil, Justice Basheer ahmed Syed College for women, Chennai was our another prestigious guest she is a best motivational speaker, she motivated the students to develop their technical skills to become an employable engineer. He highlighted about the recent trends in the field of Information Technology and he insisted that one has to be updated in their own field. **Dr. SRINIVASAN**, Principal delivered the welcome address.

The Program ended with a Vote of Thanks by **Mrs.N.HEMALATHA**, Assistant Professor and Admission Officer.
