PARAGRAPH TRANSLATION COMPETITION

TRANSLATE THE GIVEN PARAGRAPH FROM ENGLISH TO TAMIL

The term language is derived from the Latin word language which means tongue. While the need to express one's desires, interests, feelings and emotions is inborn, the ability to communicate with others through language is learned or acquired. Acquisition of language begins with the initial cries, grunts, groans, and gasps of the neonate. With growth of age babbling starts. All these are transformed in to the use of single words, two words and then to three words sentences and finally into well formed sentences. Words are symbols of reality and they are used to symbolize concepts and manipulate knowledge concerning reality.

TITLE OF THE ACTIVITY : INTERNATIONAL TRANSLATION DAY

Report

The Department of Civil Engineering organized "INTERNATIONAL TRANSLATION DAY " on September 30th 2023. International Translation day observed on September 30th every year, serves as a global celebration of the invaluable contributions made by the translators and language professionals. The choice of September 30 for International Translation day is a symbolic as it coincides with the feast day of St. Jerome. He is a revered figure in the field of translation studies and is considered the patron saint of translators. He was a Christian scholar and priest known for his monumental task of translating most of the Bible into Latin from original Hebrew, His pioneer work laid the foundation for translation as a profession.

The theme for International Translation Day 2023 is 'Translation unveils the many faces of humanity.' This theme underscores the power of translation to reveal the rich tapestry of human diversity and the multitude of stories, ideas, and cultures that make up our global community. The Department of Civil Engineering conducted two events for students in online mode in respective of International Translation Day. The events conducted are

1. Quiz

2. Paragraph Translation

Dr.K.Srinivasan Principal, Mrs.P.Sujatha Vice Principal, Mr.S.Sundarraaj HoD/Civil ,All Department HoD's initiated and shared google form links to the students to attend the events. All department students actively participated in the events.
