## NATIONAL UNITY DAY - TREE PLANTATION PROGRAMMEE

### In association with “Maram Nanbargal”

National Unity Day is an initiative celebrated every year to commemorate Sardar Vallabhbhai Patel’s birth anniversary. Sardar Patel was born on 31st of October in 1875 in Gujarat. He was first Home Minister and one of the founding fathers of the Republic of India. He was a great social leader who worked enormously for the integration of people to make India a united and independent nation. He united 565 princely states to give India her present identity. National Unity Day initiative was introduced by the Government of India and inaugurated by Prime Minister Narendra Modi in 2014.

In an official statement for Rashtriya Ekta Diwas (National Unity Day) by the Ministry of Home Affairs quotes that the National Unity Day “will provide an opportunity to re affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity and security of our country”. Run for Unity is a nationwide campaign organized to celebrate this occasion which signifies peace and harmony among the fellow citizens of the country.

Unity in diversity will always remain the prime pillars for the effervescent democracy of our vast nation and a key to its global success. Programme Sudharsan Engineering College, Pudukkottai observed the National Unity Day on 31st of October 2023 to commemorate the birth anniversary of Sardar Vallabh Bhai Patel. This event was organized by the members of Department of Artificial Intelligence and Data Science.

This event will not only carry the message of “Unity in Diversity” but also permeate the youth with values assimilated by the knowledge and respect about the country’s diverse legacy. There was an active participation of students and staff members in organizing the event and also pronounced involvement as goodwill ambassador in spreading the message about Tree Plantation and unity.

### **TREE PLANTATION PROGRAMME:**

A tree Plantation Programme was Organized by the Department of Artificial Intelligence and Data Science of Sudharsan Engineering College on 31.10.2023. The teaching faculty and Students of Artificial Intelligence Department of the college participated in this programme. Around 20 tree saplings were planted in college campus.
