**DEPARTMENTS : ELECTRONICS AND COMMUNICATION ENGINEERING
& ELECTRICAL AND ELECTRONICS ENGINEERING**

TITLE OF THE ACTIVITY : Problem Solution fit using Java and MySQL

DATE & DURATION : 07.10.2023 - FN

BROCHURE / INVITATION:

The brochure features a dark blue background with a network pattern. At the top left is the Sudharsan Engineering College logo and name, including its address and affiliations. To the right is the E-Box Colleges logo with the tagline 'We Revolutionize Engineering & Technology Learning'. Further right are the Institution's Innovation Council logo and a counselling code badge for 3920. The main title of the workshop is prominently displayed in the center. Below the title, a circular portrait of the resource person, Ms. N. Nandhini, is shown next to her name and title. To the right of the portrait are icons for SQL, MySQL, and Java. The date and time of the workshop are listed in a white box. At the bottom, the coordinators and convenors are listed, along with the name of the principal presiding over the event.

TITLE OF THE ACTIVITY : Problem Solution fit using Java and MySQL

Introduction:

The Problem-Solution Fit Workshop, held on [Insert Date] at [Insert Venue], was a dynamic and informative session aimed at equipping participants with the knowledge and skills required to tackle real-world problems using Java and MySQL. The event was organized under the able guidance of Ms. D. Saranya, with support from Dr. K. Asan Mohideen and Dr. K. Chitra as Convenors and Dr. K. Srinivasan presiding over the proceedings.

Dr. K. Asan Mohideen, the Convenor of the workshop, addressed the gathering and emphasized the importance of problem solution fit in the field of technology. He encouraged participants to continue exploring and applying their newly acquired skills in Java and MySQL to solve real-world challenges

Workshop Agenda:

10:00 AM: The program commenced with an introduction to the basics of Java and MySQL, setting the foundation for the day's learning.

Morning Session: Participants were engaged in a comprehensive tutorial on Java and MySQL, preparing them for the hands-on activities later in the day.

Afternoon Session: The highlight of the workshop was the hands-on session, where attendees had the opportunity to apply their knowledge to develop a problem console application for an online shopping model using Java with MySQL (JDBC). This practical exercise allowed participants to grasp the practical aspects of problem-solving with these technologies.

Resource Person's Contribution:

Ms. N. Nandhini, our esteemed resource person, brought a wealth of experience and expertise to the workshop. Her insights and guidance throughout the day were invaluable in helping participants gain a deeper understanding of Java, MySQL, and their application in solving real-world problems. We extend our heartfelt gratitude to Ms. N. Nandhini for her invaluable contribution to the success of this workshop.

Conclusion:

The Problem-Solution Fit Workshop was a resounding success, thanks to the dedication and active participation of all attendees. It provided a platform for learning and skill development, empowering participants to address real-world challenges using Java and MySQL. We look forward to more such enriching workshops in the future.

Acknowledgment:

We would like to express our gratitude to all participants, coordinators, convenors, and especially Ms. N. Nandhini for making this workshop a success. Your active engagement and enthusiasm were crucial to the workshop's success.
